Product Information/Emergencies: 1-888-283-6847

In case of spills, poisoning or fire, telephone emergency response number: 1-800-334-7577 (24 hours a day).

DIRECTIONS FOR USE:

AMIGO Adjuvant is only to be used in a tank-mix with the post-emergence herbicides SELECT or CENTURION for control of grass weeds, volunteer cereals and quackgrass in canola, flax (including low linolenic acid varieties), field peas, lentils, Desi and Kabuli chickpeas, dry onions, potatoes, mustard (oriental, brown, yellow), soybeans, seedling alfalfa, sunflowers and dry beans (Pinto, Black, Great Northern, Red, Pink and Navy). AMIGO is to be used at 0.5% v/v - 1.0% v/v with the recommended rate of SELECT or CENTURION as specified on the respective product labels.

PRECAUTIONS:

WARNING: Causes severe eye and skin irritation.

KEEP OUT OF REACH OF CHILDREN.

Avoid contact with skin, eyes and clothing. Goggles, face shield and gloves should be worn when handling, mixing and loading. Wash concentrate from skin or eyes immediately. Avoid breathing vapours or spray mist. Avoid working in spray mist. After use, wash hands and other exposed skin thoroughly. Store the container tightly closed away from seeds, fertilizer, plants and foodstuffs. Avoid contamination of ponds, streams, rivers and other water sources. DO NOT APPLY BY AIR.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Eye Contact: Flush eyes immediately with fresh water for at least 15 minutes while holding the eyelids open. Remove contact lenses if worn. If irritation persists, obtain medical assistance.

Skin Contact: Remove contaminated clothing. Wash skin thoroughly with soap and water. Obtain medical assistance or contact a poison control centre if signs of symptoms such as pain or a feeling of heat, discolouration, swelling and blistering occur. Discard contaminated non-waterproof shoes and boots. Wash contaminated clothing.

Ingestion: If swallowed, give water or milk to drink and obtain medical advice. Consult medical personnel before inducing vomiting. If medical advice cannot be obtained, take patient and this label to the nearest hospital or contact a poison control centre.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE AND DISPOSAL

STORAGE: May be stored at any temperature.

DISPOSAL:

Recyclable Container Disposal: Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no container collection site in your area, dispose of the container in accordance with provincial requirements.

Disposal of Unused, Unwanted Product: For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
